Livin' la pachorra loca

Look at me!

I'm here.

Livin' la pachorra loca

under the mango tree.

What a glorious day!

Super-duper!

No plans, no tasks, no worries.

That crazy world can wait!

I have no time for business.

I'm so busy doing nothing!

Absolutely nothing!

Zero, zero patatero!

How wonderful life is!

Just breathe…

and keep breathing.

Oh, yes indeed!
